Dear Readers,

We are entering another summer - so many are planning Rose reunions and we do hope that you are, too. If you do, please let us know when and where it was held and which Rose family met for the gathering. One or two photos with identifications will be welcomed. We were part of our own family's reunion in May and have a photo in this issue. What fun!

We have located a repository that would like to have the huge Rose collection. We will start preparing many of our files for transfer this fall, and hope to start an actual transfer by the first of the year. At that time we will announce which repository will hold the collection. Your editor will still have considerable material on her computer, and will continue to answer inquiries and at least for a time will still continue to publish the quarterly.

We are seeking some short "first hand accounts" of member's grandparents or great-grandparents - especially when there are some personal recollections. So many have been influenced in their lives by their older generation who were living during their recollection. Did yours influence you, and how? Did they have hobbies of interest? Traits that were endearing and remembered? Family treasures they passed down? Let us know.

Have you renewed for 2015? If you are not sure, email to us at christine@christine4rose.com and we'll check.

And speaking of emails, please do not use the email of the past which showed @rosefamilyassociation.com nor the one for @cs.com. We do not monitor those email addresses. We have tried to eliminate all postings showing these.

We wish you all a summer full of activities on your Roses and other family members. Wonderful memories will be made during these months!

SOME CASE FILES

Abstracted by editors at the National Archives. Part of Record Group 49, these are case files that precede the issuance of a patent. The case files can sometimes offer clues by the name of neighbors, those who knew the applicant for many years, etc. This set of records is very underused but full of potential clues on a family.

[Note that this mentions Military Land Warrant.] [This does not appear to be the Nancy who married Bennett Rose but could be related.]

Descendant of John and Hannah (Addleman) Rose of Greene County, Pennsylvania

Sebastian "Bass" Cabot Rose was a descendant of John and Hannah (Addleman) Rose of Greene County, Pennsylvania. This pictures he and his wife Olive Mooney who were married at Waynesburg, Pennsylvania on October 9, 1893 according to the announcement in the newspaper. She is identified as the daughter of Thomas Mooney, same county.

"Bass" Rose was the son of Eli³ Rose (Jacob² John¹). Eli was born 31 May 1831 (g.s.), in Pennsylvania, and died 14 May 1917 (g.s.). He is buried Claughton Chapel Ceme. near Kirby, Greene County. He married 1st, according to his obituary (see below), to Elizabeth Kiger who was born 10 November 1832 (g.s.). She died 23 February 1899 (g.s.) and is buried with her husband. She was the daughter of Benjamin Kiger. He married 2nd, according to the same obituary, to Mrs. Elsie () Willard, who died in 1816.

This family is part of Group K of the DNA project. This is a large group of Roses which ties in Long Island, New York but the exact ties between them are yet to be determined. The Ezekiel Rose and the Tychicus Rose families of Washington County, Pennsylvania are also part of this group.

Giles County, Tennessee

MARRIAGES FROM THE COURTHOUSE

Copied by editors at the courthouse in Pulaski, Tennessee. This county was interesting in that there were more than one early Rose family who lived there, but unconnected. For instance, Abner Rose (editor's family) lived there for a time as did Francis M. Rose (member Terry L. Rose's family) and the Brunswick County, Virginia family of Col. William Rose. DNA shows these three families to be unrelated.

Enlistment Papers: U.S. Regular Army

Ed. note: Remember that Regular Army records are not the same as records of the U.S. Volunteers. The records with which we are all familiar such as Revolutionary pension records, Compiled Military Service Records, etc. do not exist for the U.S. Regulars. Instead, we rely largely on the enlistment papers and a few other sources.

What if your ancestor joined the army at a very young age? Have you thought of getting his enlistment papers which should show parental consent?

This collection has not been microfilmed. The records are textual and filed alphabetically and referred to in Preliminary Inventory 17, Entry 91, in "Preliminary Inventory of the Records of the Adjutant General's Office" at the National Archives in Washington D.C.

The example shown here is for Charles Rose who enlisted at age thirteen at West Point in 1929. Nancy Cashman and John Cashman gave consent. Nancy was probably his mother, remarried, though it would need to be verified.

From other records we know his brother also enlisted; these very young boys were drummers and later re-enlisted for several terms.

AT THE TOP AND TO THE RIGHT, PRICELESS RECORDS OF ENLISTMENTS. USUALLY ONLY TWO PAGES (FRONT AND BACK) THEY ARE FULL OF VALUABLE INFORMATION ON BIRTH ETC. DON'T OVERLOOK THESE ! GO TO: [HTTP://RESEARCH.ARCHIVES.GOV/DESCRIPTION/300390](http://RESEARCH.ARCHIVES.GOV/DESCRIPTION/300390) TO READ ABOUT THESE AMAZING RECORDS.

NEWS IN BRIEF

Several years ago from D. Stricklin who thought Roses might be interested in Samuel Rose (1767-1804). She found that Sir. Thomas Lawrence had painted Rose's portrait as mentioned in a brochure of the exhibit published in a catalogue 216 of the Royal Academy of Arts Diploma Gallery, London, 1961. The catalog shows it is a canvas, 30x25 in., painted in 1795. Samuel Rose of Chancery Lane was a barrister and a literary man. "It was he who took Lawrence to Weston Underwood to meet the poet Cowper in 1793 ..." His daughter married Dr. Charles Burney. [See this source for more.]

Bennett B. Rose of Alabama and Tennessee

[Editor's musings] This Rose is somewhat of an enigma. It would seem he should be a son of Bennett and Nancy (Burney) Rose of Lauderdale and Limestone Counties, Alabama. However, there is an unidentified James Rose or Ross who has not been identified who had a son Bennet Rose aged 13 in 1850.

Bennett B. Rose who died in the Civil War:

M-311 Roll 254: BENNETT B. ROSE. Co. C 16 Ala. Inf. Priv./Priv.

Muster roll: Aug. 6 to Aug. 31 '61 dated Oct. 22 '61, enl. July 28 '61 at Florence, Ala. by Col. Wm. B. Wood for 3 yrs. Muster Roll Mar. & Apr. '62 dated June '62 promoted to 4th Corp. June 12 '62; Ref. Card: Rose, B. B., see Mss #1999 p 21, died, dated Dec. 31, '63.

The above is not listed in either the 1850 census of Bennet and Nancy Rose, or in Nancy's 1860 census after her husband died. I believe he is the Benet [Bennet] Rose listed as ROSS in the 1850 census of Lauderdale Co., Alabama as follows.

1850 Census Lauderdale County, Alabama

ROSS, James	45	unk	laborer
Martha	20	Ala.	
Nancy	17	Ala.	
Benet	13	Ala.	
Zachariah	12	Ala.	
Samuel	10	Ala.	

It would seem from a study of the records that not too long after 1850, James Ross/Rose married Jane Burney (a probable sister of Nancy Burney who married Bennett Rose), and that she is the Jane Rose in 1860 following:

1860 Census Lauderdale Co., Ala.

432/432 [right after John V. Burney]

ROSE, Jane	60	w	SC	\$200/\$185
Martha E.	28	f	Ala.	
Nancy B.	22	f	Ala.	
Samuel B.	19	m	Ala.	farmer

It should be noted that in 1850 Jane is listed as Jane Burney. (She is likely a sister of Nancy (Burney) Rose, wife of Bennett Rose.)

There is a Samuel B. Rose born in Lauderdale Co., Ala. as follows:

SAMUEL B. ROSE. Tenn. #8614 Rej. Confederate.

Affidavit: Samuel B. Rose, native of Ala., resident of McKenzie, Carroll Co., Tenn., 50th Ala. Reg. of Inf., born Lauderdale Co., Ala. 1837, enlisted Aug. 1861 in 26th Ala. afterward consolidated and called 50th Ala., wounded at Shiloh. Are you married or have been married: No. Signed: Samuel (his x mark) B. Rose. 8 Dec. 1906. Wit.: Marvin Alexander, O. Sneed?, J. P. Cannon.

Editor's note: I believe the above Samuel B. Rose is probably the Samuel Rose shown as aged 10 in the 1850 census of James Ross (sic? Rose) of Lauderdale Co., Ala. Also, it appears possible that Benet with James Ross is actually Bennet B. Rose who died in the Civil War, having served from Alabama, and that therefore Bennet B. Rose was a brother of Samuel B. Rose. This is however unproven and is supposition at this point.

Lee Finley Green was born 17 April 1869 in Bell County, Kentucky and died 6 January 1951 in Cincinnati, Ohio. He married Margaret Jane Rose on 12 September 1898 in Whitley County, Kentucky, daughter of James and L. Catharine () Rose. She was born in 1876 and died 5 January 1932 in Cincinnati, Ohio.

daughter of Ezekiel and Emma (Canatser?) Romines (and both were buried at Youngs Creek according to their death certificates which appear in his Civil War pension file. (The maiden name of Catherine Romines' mother appears to be Coraller? or similar in death certificate in the pension file, but descendant Larry G. Johnson states it is Canatser.)

The Civil War pension file of James Rose is referenced at the National Archives as:

JAMES ROSE. Co. B 47 Ky. Mtd. Inf. Invalid filed 1885, application 547297, certificate 443485. Remarks: CZ573137.

We published a summary of this pension file in a 1992 issue of the *Rose Family Bulletin*. Anyone who has an interest in this family will want to order the complete file from the National Archives (use NARA Form 85) as it is rich in many family details. If you obtained a copy of the file years ago from the Archives you probably only got 10-15 pages of the file while the complete file is very large with important family data you'll want to have!

whose d.c. shows mother Charity Taylor). Green Rose married, 2nd?, Charity Taylor, her maiden name confirmed by the death certificate of son James Rose. After his death Charity married again, 4 April 1855, Harlan County, Kentucky VR, Amon Brock. (Data of Felicia Wylie states that Amon was born ca 1788 in S.C., d. 1863 in Pulaski Co., Ky.)

DNA testing of a descendant of Green Rose in 2003 had seemed at first to indicate that there is a relationship between Green Rose of South Carolina and Tennessee, and a descendant of Tormut Rose of Block Island, Rhode Island. Tormut Rose was in the colony by the mid-1600s. Later refinements of testing seem to discount that or at least suggest that if there was a connection, it was very distant. See Group M and M-1 of the Rose DNA project.

DNA testing also indicates a relationship between Green Rose, and George Rose (b. ca 1790, South Carolina) who appears in the 1850 census of Polk County, Tennessee. There is another Green Rose aged 19 listed in the 1860 census of Polk County, Tennessee who is probably a grandson of this George Rose, indicating the name of "Green" Rose is another clue to a relationship between these families.

Green Rose evidently lived for a time in Hawkins County, Hancock County and Polk County, Tennessee. In the pension record of his son James C. Rose, James' birthplace is listed as Hawkins County when he enlisted. In a letter in the file he states that after he came back from the war, his mother told him he was born in Polk County, Tennessee. The death record of George Rose, another son of Green Rose, states that George was born in Hancock County, Tennessee.

The father of Margaret Jane (Rose) Finley was James² Rose, the son of Green L. W. Rose. James' and his family lived in Whitley County, Kentucky. He married Catherine Romines, born 15 June 1848, died 9 August 1935 aged 87y 1m 14d (d.c.),

He was the brother of Percy Allen Rose, attorney. He was son of W. Horace Rose whose Confederate war history is also related in the obituary. IN MEMORIAM

Donald Leslie Rose, age 84, charter member #0141R81, was a resident of Cleveland, Tennessee. He passed away July 7, 2013. He was a veteran of the U.S. Army and served in the

National Guard and Civil Defense. He was son of Leslie and Nell (Bennett) Rose. Donald was a charter member of the Rose Family Association. His North Carolina family proved to be a complete surprise in the YDNA project for though Donald was a descendant of Enoch Rose of Cherokee County, North Caro-

lina with all indications of being related to the other Cherokee County Rose families, the DNA of this family matched instead Group K of the Long Island Roses. To this day there is no explanation! It seems completely without reason, yet, we trust the DNA. It's up to us to solve this perplexing problem.

ROSE REUNION

SAN JOSE, CALIFORNIA

Every few years descendants of Edward Earl Rose and his wife Nelle (Tarleton) Rose meet for a reunion. They had three sons, Earle Tarleton Rose (editor's father), R. Burton Rose, and Richard E. Rose. Earl left one son (your editor Seymour Rose), R. Burton left three daughters, Karen, Barbara/Barbi and Beryl Ann/Tobi (now dec'd). Richard Rose left three sons, Richard Grayson "Greig" Rose, and member Edward "Ted" Rose and his twin brother William "Bill" Rose.

These families came together at the home of Kevin and Janice Rose in San Jose for a reunion of approximately 45. Some came from Oregon, some from Florida, and the rest from California. It was a wonderful day of remembrances and one that made us thankful that at least every few years we can get together and renew the family ties.

We are sharing a photo of the cousins - see below.

From the Mail Bag

Member Thomas M. Rose #1881R93 emailed back in November (but too late for the December issue) that the PBS show "Finding Your Roots" with Henry Louis Gates had the previous night a "pretty interesting information about the DNA search efforts of the various guests backgrounds versus the historical family genealogy research thru archive records. It was a much better primer on the former than I knew previously."

Lee Cox at lecox1000@me.com tells us that she is a member of the DAR through Peleg Rose. She is willing to share any of her documents with other women seeking membership through this same ancestor. Thanks Lee!

Michelle, who has no connection to this Rose family, thought we should know about the mourning rings described at the following:

The inscription: John Rose aged 8 years, full of health and promise, snatched in one moment from his afflicted parents and relations by falling from a pony. August 18th 1815.
